

PETITION AND AGREEMENT TO CREATE A COST SHARE IMPROVEMENT PROJECT

TO: ROAD & BRIDGE DEPARTMENT
GALLATIN COUNTY, MONTANA

In accordance with the Cost Share Improvement Policy of Gallatin County, the residents near and property owners near a certain road located in Gallatin County, Montana, request the creation of a Cost Share Improvement Project.

- The road to be improved is commonly known as: _____
- The beginning point of this section of road is _____,
and continues (N, E, S, W) for _____ feet, to a point of _____

- The total number of residences near road is: _____.
(within 1/4 mile for Pavement CSIP, within 200 feet for Dust Control CSIP)
- There are _____ persons proposing the CSIP.
- The designated contact person is _____
and can be reached at the following phone number and mailing address:

NOTE:

If the above calculations result in a percentage of traffic in an amount less than twenty-five percent (25%), the persons signing this petition agree and understand that their minimum contribution shall be set at twenty-five percent (25%).

THE UNDERSIGNED STATES AS FOLLOWS:

1. We are qualified and authorized to sign this petition, desire the action herein, agree to abide by the policy set forth in the Policy for the Creation and Administration of Cost Share Improvement Projects and shall be liable for all costs on a joint and several basis with all other persons signing the petition.
2. That the improvements desired are described as follows: _____
3. That there are no assessments, levies, or special districts created for the road.
4. That this petition is for the limited purpose of creating a Cost Share Improvement Project to administer the above specified improvements.
5. That the costs of the improvements will be \$_____, and Petitioners will assume and pay _____% of these costs.
6. That the portion of the costs assumed have been provided by concerned and interested persons and that no further assessments of any kind are required.
7. That if approved, the County may share costs in an amount up to _____% of the total costs of the improvements.

TO BE FILLED OUT BY THE GALLATIN COUNTY ROAD DEPARTMENT:

Based upon records at the Gallatin County Road Department, the aforementioned section of roadway has _____ ADT'S (average daily trips), as of _____

Total residents _____ x average of 8 trips per day: _____

Divided by: Road Dept estimated ADT'S: _____

Divided by: length of road improvement: _____

Equals total percentage of traffic by residents: _____

That said applicator has provided the Gallatin County Road Department with the following product cost:

 \$ _____ per mile of roadway.
x _____ total miles

= \$ _____ total product cost.

Based upon the above calculations, the residents are responsible for _____ percent of these costs, or a total of \$_____, and Gallatin County would be responsible for _____ percent of these costs, or a total of \$_____.
